Every year the Viking Staff honors a particular individual for his outstanding dedication to Northview. This year the honor was bestowed upon Mr. Roy Moore.

Mr. Moore was born in Illinois and attended school there. After graduation, he received his B.A. from the University of California at Santa Barbara. He then worked to receive his M.A. from Cal State L.A. As a member of the Los Angeles Police Department from 1951-1957, he gained insight into the problems of today's youth. He began teaching U.S. History at Northview in September 1962, followed by his appointment as assistant principal in 1966. When Mr. Moore became principal in 1969 we entered the era of human relations wherein the students and teachers became involved in advisory groups for major decision affecting curriculum, policies and other areas significant to campus life. With his guidance Northview received a five-year accreditation from the Western Association of Schools and Colleges which is indicative of the personal pride and dedication we all have at Northview.

To you, Mr. Moore, we dedicate our '73 VIKING.

Viking Week

Vikings gather for Spirit Week activity.

Through the efforts of interested Vikings, the tradition of SPIRIT WEEK was revived this year. Highlights of spirit week ranged from a tricycle race to a burrito-eating contest! Other events included an ice-sitting contest, an egg toss, a slave sale, and finally, black and gold day. Class spirit points served as a goal for all activities. All in all, this year's VIKING WEEK provided an experience for all to enjoy.

Homecoming '72

This year's Homecoming festivities began with the events of Spirit Week. An egg toss, ice sitting contest and slave sale were just a few of these activities. The week concluded with the Homecoming rally on Friday where the five princesses, Delisa Celaya, Sandy Mason, Debbie Mohr, Nora Vitz and Kristin Williams were presented to the Viking audience. At the football game that evening, the princesses sailed onto the field in Northview's Viking ship. The climax of the evening was the crowning of Sandy Mason as Homecoming Queen 1972! To make the night a complete success, the Viking team was victorious over the Baldwin Park Braves 21-13.

Christmas Ball

"Christmas Dreams" served as the theme for the 1972 Christmas Ball. The annual event, which is sponsored by Girls' League, was held at the Azusa Women's Club. Music was provided by the band "Silverhill," while a real Santa Claus traveled from table to table handing out candy canes and HO-HO-HOs! The highlight of the evening was when Bob Rios and Yvette Oyenhart were crowned Christmas Ball King and Queen. Girls' League was successful in providing for each and everyone a separate Christmas memory.

Valentine's Dance

Thorians held their annual Valentine's Ball on February 24, 1973. The theme, "Wish Me a Rainbow," was carried out with a rainbow on the stage and a wishing well in the middle of the dance floor. Sweethearts and singles danced to the music of "Xenogenesis," while others munched on the refreshments. The Valentine's Dance proved to be a very enjoyable experience for all who attended.

Basketball Royalty

Bicycles built for two and pastel parasols carried out the theme of "The Good Ol' Summertime" for Basketball Royalty '73. Each princess was presented on a tandom bike and escorted down the red carpet through an arch of daisies. The court included: Dixie Blakely, Kathy Dominguez, Vickie Miner, Tracey Reynolds, and Valerie Scalla. The big climax approached when last years' queen, Cindy Giertz, appeared and crowned Valerie Scalla as queen! An excited crowd watched the Vikings stomp the Nobles, 81-60. A dance followed where music was provided by "Cecil." Once again, another Basketball Royalty had taken place leaving memories for all to share.

Thorians Vs. Marklinians

The annual Thorian-Marklinian game was held on March 2, 1973. Both teams spent many hours practicing basketball and planning strategy. Mike Montoya and Ron Lancaster served as coaches for the Marklinians, while Bob Rios and Fred Lohman took the positions for the Thorians. Thorians triumphed to a rousing 28-23 victory over the Marklinians. A 50's dance followed where tired basketball players and coaches got a chance to relax after a hard fought game.

Slumber Party

The annual Girls' League Slumber Party was a long night filled with fun and lots of food, but little sleep. Everything from basketball and volleyball to Frisbee and badminton kept everyone awake. Some even tried their hand at modern dance. The girls had worked up an appetite by midnight, when the pizzas arrived. At 1:00 the girls settled down to watch TO SIR WITH LOVE. After the movie everyone was busy again with more games, including a sleeping bag race. Once again, the Girls' League Slumber Party was a big success.

Prom

On May 5, 1973, the annual Junior-Senior Prom was held. The Renaissance Room of the Biltmore Hotel served as the setting, with "As Time Goes On" as the theme. Prom court was made up of Silvia Gracial, Karen Haddow, Donna Hamilton, Ruth Leyendecker, and Paula Nordhoff. As the excitement grew, the court was announced and Paula Nordhoff was crowned queen! As the evening came to an end, the romantic mood, set by dim lights and soft music, left an impression on all who attended.

Varsity

I got it! I got it!

Hail, all hail...

Here comes the SHIP!

Zap!

S-T-R-E-T-C-H

I don't know.

This year will long be remembered as "the year of the ship". At the first rally of the year the VIKING I, a replica of a Viking ship, was ceremoniously christened and the following night made her maiden voyage at the Covina football game. It became tradition for the varsity cheerleaders to pull the VIKING I, with Vicky Viking (Rita Boberg) standing proudly inside, onto the field before each game. Besides the ship, the cheerleaders promoted spirit in many other ways. Introducing new audience participation cheers was just one. The six of them, Diana Alley, Laura Carter, Jessica Doss, Sandy Hultsman, Kathy Margison, and head varsity, Nora Vitz worked hard to keep the Viking Spirit on the move.

Flags

VIKING I makes maiden voyage.

Hey fans, clap your hands.

Performing at rallies and games was just one of the things which kept the flag twirlers busy this year. The girls, along with the other varsity units, supported the varsity teams by decorating their lockers, giving them pot-luck dinners, and painting posters. Under the leadership of Helen Halink and with the cooperation of Sandy Cimino, Chris Krumm, Pam Jarvis, Tracey Reynolds, and Debi Schaller, they competed at various competitions and marched with the band in parades.

Oh please, make the touchdown!

Actually these are my false teeth.

Maybe if I close my eyes they won't see me.

Keep on trudgin', Tracey.

Uh-oh!

Pattie Webb-alias Jim Ryan (?)

This is my best side.

This year's songleaders, Kathy Dominguiz, Mindy Fields, Karen Haddow, Sue Rampenthal, Pattie Webb, and head song, Christy Hultsman worked with the band and drill team on half-time shows and marched with them in parades. They were also seen at the games helping to promote spirit. Practicing for long hours, they perfected their routines which they performed at games, rallies, and competitions.

Straighten that line!

Hey Sue, what do I do next?

Oh I hate this routine.

He went thata way.

Songs

J.V.'s

Supporting the sophomore football, the J.V. basketball, and the J.V. baseball teams were the main objectives of the J.V. cheerleaders. They showed their support by decorating the locker room, taking the boys cookies and of course, attending and cheering at all their games. The girls also boosted spirit at rallies leading the freshmen and sophomores in competition yells. J.V. head Cindy Land and members Laura Garcia, Lynda Bodet, Ladine Halink, Kathy Best, and Sharon Hyslop attended a summer cheerleading camp and also cheer competitions where they made fine showings.

In the fall they represented Northview in drill team competition at Arroyo H.S. The drill team was led on the field and at parades by Captain Evelyn Thomas and Co-Captain Sandy Mason.

Girls' League

Girls' League, the largest girls' service club on campus, was busy again this year with its numerous activities. Through the advice of president Paula Nordhoff and advisor Miss Sweger, Girls' League arranged to hold the Christmas Ball off-campus for the first time. In addition, Girls' League dared to face G.A.A. in the Powderpuff football game. They sponsored a Big and Little Sister Tea to help acquaint freshman girls with our campus and they also held their annual all girl Slumber Party. Because of the enthusiasm and diligence of its members, Girls' League had a successful year.

Lettermen

Lettermens club, the only all boys club on Northview's campus, consists of all the athletes who lettered in any varsity sport. Considering the time-consuming effort that goes into earning a varsity letter, much credit should be given to these boys. Guided by Coach Milhon as advisor and Stan Casillas as president they sponsored various activities such as a car wash and a dance. With the help and cooperation of all the members, the Lettermen had a rewarding year.

High morals, good grades, and service to school and community are the standards of Thorians.

The twenty-three Thorians perform such services as sponsoring the Valentines Ball, decorating the goal posts for the home football games, and gathering baskets of food for the needy families during the holidays. With president Donna White and adviser Mrs. Strauss, Thorians have had another successful year.

Key Club

Under the leadership of president Donn Cato and advisor Mr. Lutz, Key Club proved to be a great asset to Northview this year. They participated in the Muscular Dystrophy Drive, supported Back to School Night, and worked for Operation Drug Alert sponsored by Kiwanis Club. Following their motto "Insure Tomorrow" Key Club has proven to be a worthy organization.

Marklinians

Hard work is one of the factors that make the Marklinians an important club on Northview's campus. The Fall Festival Boutique and Dime-a-Dip dinner are examples of their successful activities during the past year. Under the direction of president Dixie Blakely and adviser Miss Marmis they had many fund raising events such as car washes, bake sales, a soc hop, and a sucker sale. The Marklinians contributed to the community by participating in Ecology Week and a local Bike-a-thon. Showing an interest in the underpriviledged, they took some orphan children on an outing. Through hard work, patience, and enthusiasm, the Marklinians had a rewarding year.

Through the year, the Valhalla staff demonstrated its creativity. Under the direction of Mr. Chris and co-editors Dixie Blakely and Delisa Celaya, this year's staff presented the students with a newspaper of fine quality. The events of the past year were faithfully publicized, informing the student body of activities, sports, and, of course, the latest gossip. All in all, the Valhalla staff combined their efforts to produce another fine newspaper.

Idunians

Some people believe that in order to be a model one has to go through all kinds of training and special schools. Here at Northview we have a club called Idunians that gives girls a chance to model various up-to-date styles. They were kept busy by organizing three fantastic fashion shows. Several cosmotologists gave demonstrations on applying make-up to fit one's needs. Under the supervision of president Debbie Schaller and advisor Mrs. Gilman they had a very successful and exciting year.

HISTORY CLUB

Some people tend to think that history is a subject that ends when the last bell rings for the close of school. But in History Club a group of students get together to learn about history while having fun. A few of their activities included going to the San Gabriel Mountains to pan for gold, holding a car wash, and taking a train trip to San Diego Zoo. Guided by Mr. Reynolds, Mr. Atwood, Mr. DeRosa, 12 other Co-sponsors and Sharon Hyslop as president, History Club started off their first year on the right foot.

Pep Club

The Pep Unit is just one part of the spirit promoters here at Northview. Another part is Pep Club. They help support our teams in many ways. They painted posters before every football and basketball game and raised funds by holding a bake sale in the summer. The real purpose of Pep Club was to promote spirit and they did this by having car caravans and putting on skits at the rallies. With Mr. Warmerdam as advisor and Jessica Doss as president, Pep Club helped keep the spirit.

That joke was sick.

Cleff Dwellers

Cleff Dwellers is a club composed of the vocal few who have particular interests in music. They held different activities ranging from golf-ball and food barrel give-aways, to holding a Sadie Hawkins dance. They do much to support our different choirs, as well as producing a spring concert. Under the supervision of advisor Mr. Lindsey and president Gayle Old, Cleff Dwellers had a fulfilling and rewarding year.

Many of us at one time or another have desired to be on stage. Here at Northview such ambitions are encouraged by Drama Club. This year the club presented three one-act plays, THE APPLE TREE, HERE WE ARE, and I'M HERBET. The main production of the year was THE BAD SEED which ran for 6 days. To sum it up, Drama Club had a rewarding year.

Under the supervision of advisor Mrs. Neumann, and president Chris Mohr, Spanish Club had "un ano bueno!" (a good year).

F.H.A.

The main pupose of the Future Homemakers of America is to build better homes and families for a better future. The members of this year's club developed good grooming, sewing, and household skills.

Peacemakers

Peacemakers is a group of people interested in solving student problems before they become too severe. Their main objective is to keep a "peaceful" school atmosphere. They are comprised of the various groups on campus.

La Raza Unida

La Raza Unida, one of Northview's more recently formed clubs, is mainly concerned with the welfare of minority groups. Meetings were used to discuss the economic, social, and political points of view of ethnic groups. Although meetings weren't regularly scheduled, La Raza Unida was equipped to handle any crisis that arose.

High ideals and scholastic ability are the requirements to be a member of the California Scholarship Federation. To obtain membership, a person must have acquired ten grade points each semester. Participants in C.S.F. conducted a book fair, an installation dinner, and a trip to Disneyland. C.S.F. members have opportunities to take advantage of many scholarships not available to the general student body. Guided by advisor Mrs. Lewis, and president Janet Fishman, C.S.F. had another fine year.

What a drag!

Wishful thinking.

I can't believe I said that.

It's not that funny, girls!

Chess Club

Deep concentration is one of the main talents that go into playing chess. In chess club those who know how to play chess get together and compete within the club. Mixed Choir

Mixed Choir is for first-year music students who wish to sing for Northview. The class helped the students to develop their ability and obtain skills. Mixed Choir performed with the other choirs at two concerts and at many schools in our district. Although they are beginners, they proved themselves promising.

Viking Choir

The requirements for membership in the Viking Choir are very demanding. A student must have two previous years of choir and pass thorough tests, before he is accepted. The Viking Choir gave special performances at churches and hospitals throughout the valley, proving themselves worthy of praise as they sang into the hearts of many.

Chamber Choir

The Chamber Choir, formerly known as Madrigals, is a special group consisting of both non-choir and choir members. They performed with the other choirs at the Spring and Christmas concerts and at special engagements with the Viking Choir. The members of this group must pass a very rigid examination which tests all their skills, before they are accepted. They rehearsed on their own time after school, therefore no credits were given. As usual, as the head of all the choirs, Mr. Lindsey spent countless hours of time to form a talented group of singers and led them through a very entertaining year.

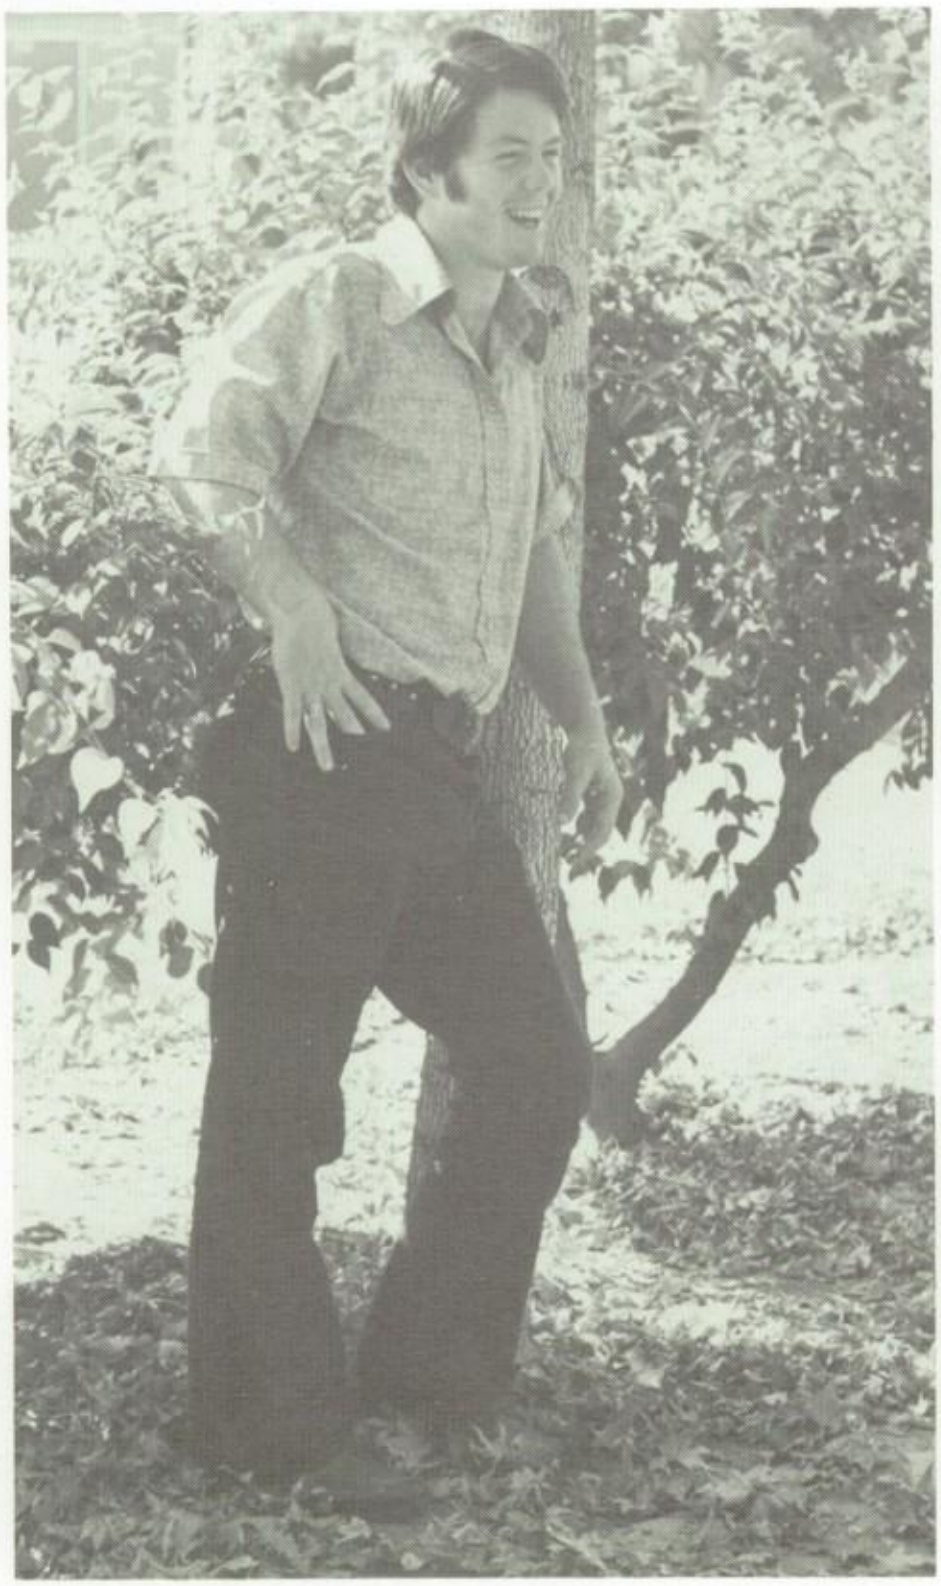
STUDENT LIFE

Robin Blair

ASB President



Robin Blair

Robin Blair began his involvement at Northview during his freshman year when he successfully ran for Frosh Vice-President, followed by a year of activity as Sophomore President. He continued his involvement in Leadership as a Junior Legislator. Robin demonstrated versatility by participating actively in football, wrestling, and track. As ASB President, he presided over all Cabinet and Leadership meetings. Robin's overall goal was to lessen the gap between Student Representatives and the entire Student Body.

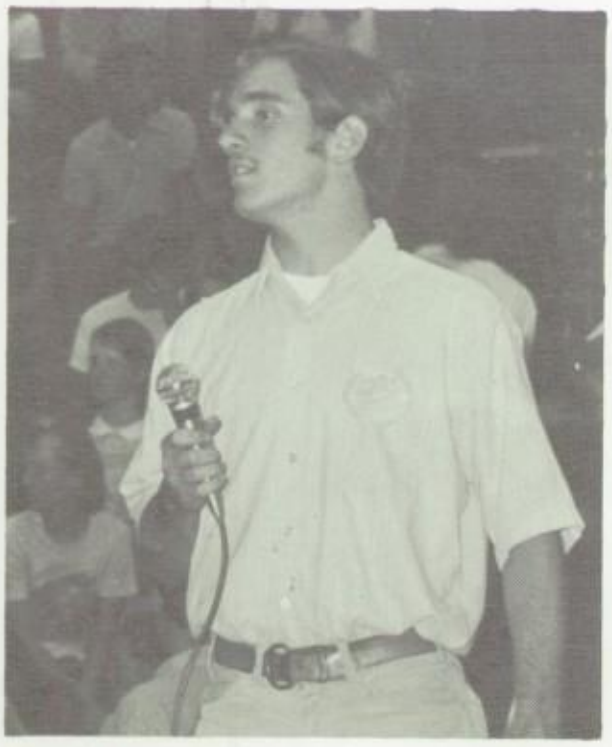
And now, for my next number . . .

Hey, would you please BUG-OFF!

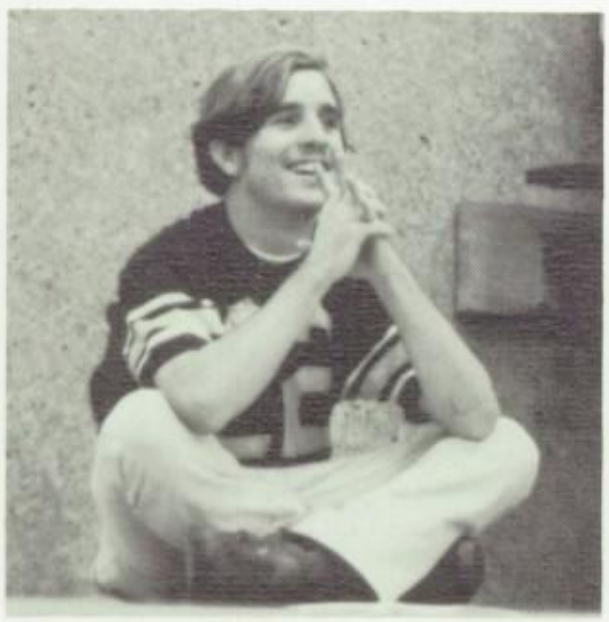
Now will you people in the front row please wake up?

David Beasley

Just smile and say "cheese."



I've always wanted to be an entertainer.



Ha ha...if you only knew what I'm thinking...

David Beasley enthusiastically began his participation in Student Government by successfully heading a fund-raising program in his position as Frosh President. Athletically inclined, David represented the Vikings in football and track during his four years at Northview. One of his duties as ASB Vice-President was to organzie assemblies and rallies. In addition, David was in charge of Inter-Club Council.

Hall

Delisa Celaya, chosen as this year's "Outstanding Senior Girl," can best be described as versatile. Her achievements range from spirited J.V. cheerleading to participation in the Lion's Club speech contest, where she was an area winner and a zone finalist. In addition to this, Delisa worked her way up from cub reporter to co-editor of Northview's newspaper, the VALHALLA.

As a demonstration of her athletic ability and interest, she has been an active member of G.A.A. and a very capable baseball statistician.

Academically, Delisa has been on the Principal's Honor Roll for four years and was selected to serve on the Student - Advisory Curriculum Board. She has also been in C.S.F. and is now a Life Member. A conscientious student, Delisa was a State Scholarship Semi-finalist and was awarded a Bank of America certificate.

Delisa's academic abilities can be matched only by her leadership qualities. Active in Class Council every year, she was elected to such responsible positions as Freshman Legislator and Junior and Senior Class President. Her interest in government served her well as she was chosen as Northview's Girls' State Representative. She has been a Girls' League officer, Freshman Representative and Secretary of Records, as well as a member of Inter-club Council.

In November, Delisa was thrilled to be selected as one of our five lovely Homecoming princesses.

With such accomplishments to her credit, Delisa Celaya has certainly proven herself worthy of the title "Hall of Fame."

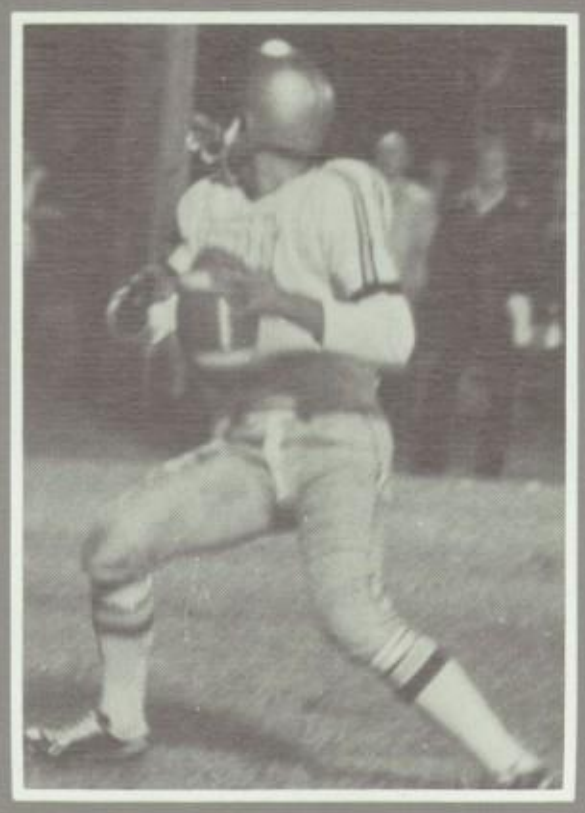
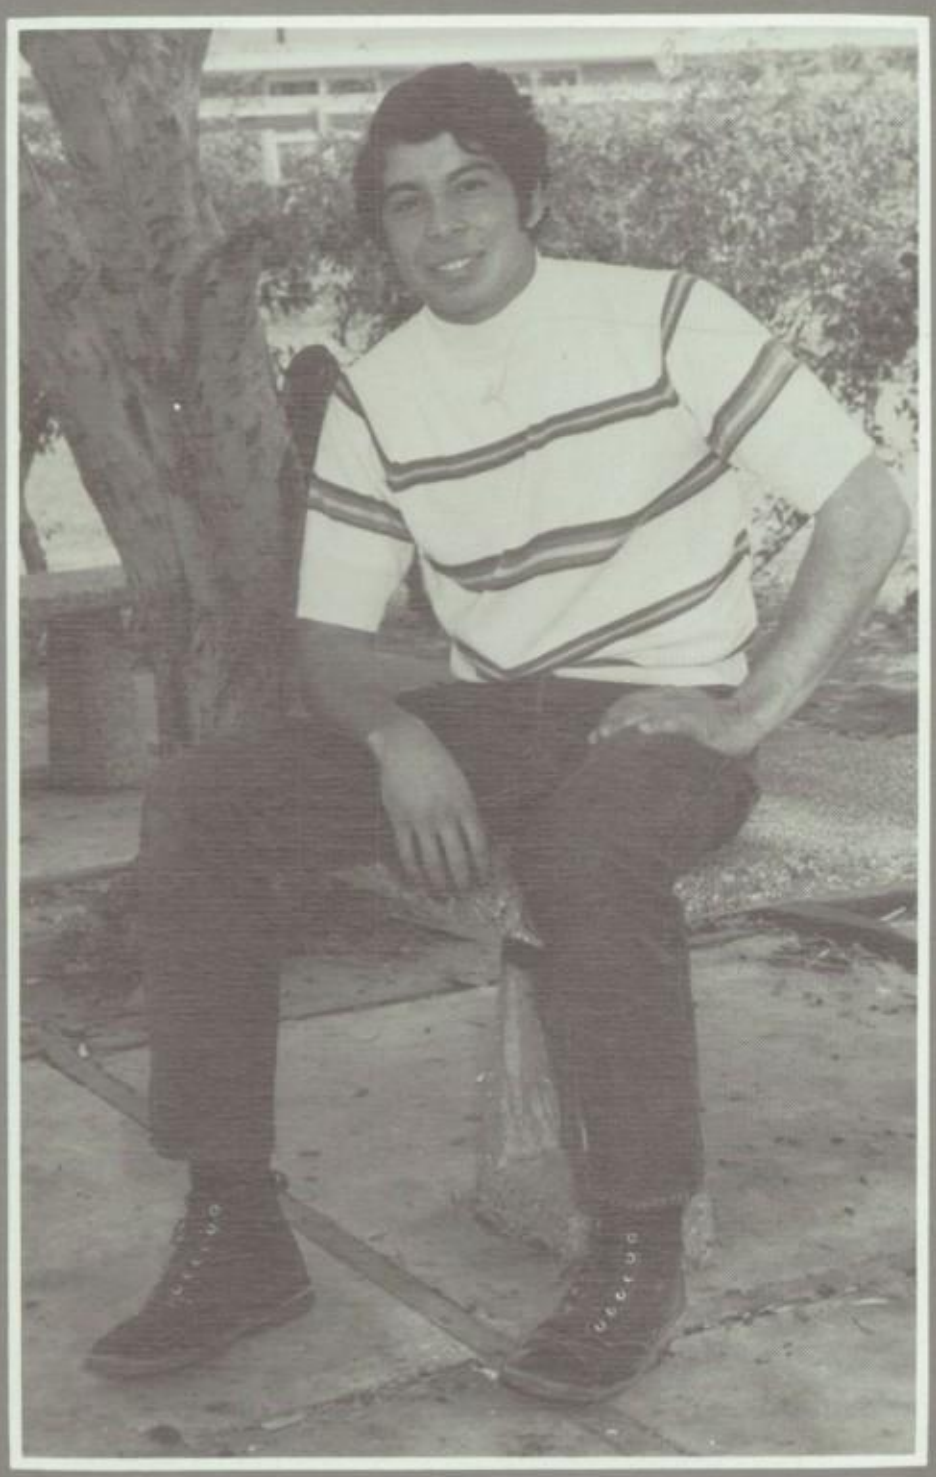
# of Fame





OUTSTANDING SENIOR BOY
JON TOVAR

Jon Tovar, selected by the faculty to the Hall of Fame, is a very deserving recipient of the award.

In his freshman year, Jon was a member of both the basketball and baseball teams, as well as the "C" track team. He also received the Floyd Myrick award for the most improvement in Industrial Education.

As a sophomore, he played J.V. football and baseball, and as a junior, made both Varsity teams, receiving All Montview League Honorable Mention for his fine performance in baseball. As another indication of his athletic ability, Jon was a member of the World Championship Colt League baseball team.

This year as Northview's outstanding quarterback, Jon lead our football team to a first place in league and a berth in the C.I.F. playoffs. As a result of his fine efforts, he was named to the All Montview League Second Team and was awarded Sertoma Back-of-the-Week honors. Despite his numerous athletic obligations, Jon has managed to maintain a high grade point average, and has also been an active member of Lettermen's Club.

With such determination and perserverance, it is no wonder that Jon Tovar is this year's "Outstanding Senior Boy."

All the Way From Germany

I'd like to say a big thank-you to all the friendly Vikings I've met-this year was just great for me! One of the many new experiences I made in California was that Americans are very normal people-not very much different from the Europeans!

Compared with California, Germany seems to be such an old and small country. West Germany has the size of Oregon, but there are living almost one-third of the population of the United States. I am from the city of Cologne, where the perfume is coming from. This city is founded by the Romans about 2000 years ago as a part of the Roman Empire and there are still many ancient Roman buildings.

I learned so much in this year, I learned to live away from home, to live with a new(and great) family, to make speeches in English in front of many people, how to waterski, about the American way of life, about schools like Northview and especially, I learned a lot about myself.

I want to say again, thank-you, to my American family, to the great Vikings and to all the people who made this wonderful year possible for me.

Girl of the Year

GIRL OF THE YEAR—DEBBIE MOHR

As tradition goes, each year two Girls' League representatives from each class choose one senior girl per month and honor her for her contributions to Northview. This year the club got off to a good start by naming the Co-ordinator of Publicity, Debbie Mohr, as September Girl of the Month. The following month head cheerleader, Nora Vitz, was honored as October Girl of the Month. Tracey Reynolds, a flag twirler, was singled out for November, and the co-editor of the Valhalla, Dixie Blakely, was named for December. The new year saw Girls' League president, Paula Nordhoff, honored, while February Girl of the Month was awarded to VIKING editor, Valerie Scalla. Terri Hasemeyer, Coordinator of Pep, received honors for March, and ASB treasurer, Yvette Oyenhart, was named April Girl of the Month. Silvia Gracial, active in leadership as a legislator, was honored for May, and the year was brought to a close with the naming of another active Viking, Lindsay Wood, as Girl of the Month for June.

The representatives then voted again to name one of these ten girls as Girl of the Year. September Girl of the Month, Debbie Mohr, came out on top. Debbie has not only been in leadership, but was a JV and a varsity cheerleader. She has been active in many clubs on campus, including Pep Club, GAA, Girls' League, and was a consistent member of class council. She has also been on the yearbook staff for two years. In her spare time she worked as a Candy Striper at Inter-Community Hospital and as Northview's teen representative at Sears in Covina. One of the highlights of her four years here was when she was chosen as one of the Homecoming princesses. Besides all of these activities, Debbie has kept a perfect 4.0 GPA, made the honor roll each semester, and is a CSF Life Member. Girls' League certainly chose an outstanding senior when they named Debbie Mohr Girl of the Year for 1973.

BILL MUSICK AND DELISA CELAYA

Girls' and Boys' State

At the close of each year the faculty chooses two juniors, a girl and a boy, to represent Northview the coming summer at Girls' and Boys' State. This year's worthy recipients were Delisa Celaya and Bill Musick.

Girls' and Boys' State are held by local service clubs in order to teach high school students about their government.

At Squaw Valley, where the girls gathered, a draining eight day schedule of lessons in speeches, running for offices, conventions, and holding offices kept them all busy. For Delisa it provided a valuable learning experience and meeting the 540 girls from all over California was rewarding in itself.

Bill traveled to Sacramento for his stay at Boys' State which was held on the Cal State University Campus. Campaigns and elections were held first for city and then state governments. In the city elections Bill was elected Chief of Police. Bill thought the event was well worth the time and taught him much about our system of government.

Roy H. Moore, Principal

Floyd E. Roenicke, Vice-Principal

With the help of two dedicated men, Mr. Roy Moore, principal, and Mr. Floyd Roenicke, vice-principal, Northview had another successful year. They proved to our school that understanding and the needs of students can easily be obtained, as seen by their cooperation with the A.S.B. president and his cabinet. Together, Mr. Moore and Mr. Roenicke gave students free choice in class scheduling by means of the scramble system. Due to their enthusiasm in carrying out their committments, these two devoted administrators gave Northview the promise of many more rewarding years.

VIKES GO TO SEMIS BEFORE BOWING OUT

1972-1973 proved to be another year of success for the mighty Vikings. The Viking Machine shut out cross town rival Covina 21-0 in the pre-season opener. South Hills defeated the Vikes with a disappointing score of 0-21. In league play, the Vikings crushed Bassett 28-0, followed by a 10-7 victory over Wilson. The Viking Machine edged the Baldwin Park Braves 21-13 and subdued Rowland 27-7. The Vikes seemed to dominate the Montview League, conquering the Workman Lobos 23-0. Charter Oak presented problems for Northview, and after a tedious game, Charter Oak was the victor, 0-9. The Vikings shut out Nogales, 20-0 and then entered C.I.F. play. The Norsemen edged Murphy 13-12 in a nerve-wracking contest. The Vikes conquered Brea-Olinda 17-0 before falling to Temple City, 13-38. Jon Tovar, as quarterback, led the Vikes while ball carriers Bill Musick and Kevin Bell provided the running attack. Manuel Simpson, ranking sixth among the Valley's Top Ten Kickers, proved to be a Viking asset. Matt Mullaly, Dale Linek, Stan Casillas, Curt Zeigler, Rob Blair, Mike Criswell, and Fred Lohman were standouts on the threatening Viking squad. Under the direction of Coaches Musick, Milhon, DeRosa, and Bantau, the Mighty Norsemen had an unforgettable season of success.

Coach Warmerdam worked long, hard hours with the runners in hopes of establishing a winning combination. The team, led by senior Jim Buchholz, junior Bill McPherson, and sophomore Eric Freed, exemplified the Viking spirit throughout the season.

Wrestling

Strength, stamina, and fine coaching were three qualities present on this year's wrestling team.

The Varsity started pre-season wrestling at the Chaffey Invitational Tournament in which Jerry Singh and Ron Miller won first and fourth places, respectively George Singh also received fourth place honors. At the Rowland Lettermen's Tournament, formerly the Northview Tournament. The Viking wrestlers made another fine showing with Jerry Singh placing again, this time in second, and Ray Higa receiving third place laurels.

Once league play started, the matmen again showed their strength by downing their first three opponents, Bassett, Wilson, and Nogales. After falling to a strong Baldwin Park team, the Viking grapplers bounced back to overcome Rowland. This year's wrestlers came through again with a high league standing.

The J.V.'s started the season off right by defeating Bassett. After dropping three in a row to Wilson, Baldwin Park, and Nogales, they too bounced back to beat Rowland.

Under the direction of coaches Jim Milhoun and Rich De Rosa, Northview's wrestlers had another outstanding year.

Track

Track, a sport of many different athletic events, had a challenging but rewarding year. Combining new athletes with old cindermen, the teams strove to achieve individual skills.

Bill McPherson and Charlie McCain were standouts in long distance running, while Paul Perry and Brian Curley did well as sprinters. Hurdlers Robert Boada and Jeff Fleming used a combination of speed and grace in their winning efforts. In the field events, juniors Rob Garretson and Joe Pena showed success as varsity pole vaulters, while Tony Faith was the strength in the shot put.

Coach Westphal, with assistance from Coach Warmerdam, provided enough experience and necessary leadership to guide this year's team through a fine season.

Varsity Races for League Title.

Varsity baseball began the season with wins over both Covina and South Hills, followed by a loss to San Dimas. Not only were the Vikes endowed with potential talent but six out of the ten man squad were returning veterans. Northview's pitching staff consisted of junior Mark Clear and seniors Mike Montoya and Randy Tenney, while Mike Park and Chris Willits took positions behind the plate. Dale Linek and Larry Wilson took positions on first, while Jon Tovar proved to be a competent second baseman. Bruce Butler and Dan Wirth alternated at third and the field positions were occupied by Jim Wilfong, Dave DiSanto, and Robert Costello. The quick Kevin Bell completed the squad at shortshop. Under the direction of Coach Mel Bantau, the Vikes were definitely in the race for the league crown.

J.V. baseball, this year a very enthusiastic and able team, showed true sports action. Liessner, Bodet, and Wilson all were tops in batting, while Morrison and Bradley were best on the mound. Superb field coverage was displayed by Holmes and Adair. With inspiration and guidance from coach Chris, the team had a very rewarding season. Most of the J.V.'s gained enough experience to return, hopefully as varsity players.

The Frosh baseball team proved to be a threat throughout pre-season games, and went on to win in league play. The team, evenly balanced by Williams, McKinley, and Pesceone as pitchers and Brown and McKinley as fine hitters showed that experience is not the only requirement for a new team. Coach Evans led the team through a fine season, preparing them for future play.

Tennis

Agility, coordination, and quick reflexes are all needed to have a successful tennis team. With these qualities plus proper instruction from varsity coach Ron Rice and J.V. coach Jim Pashone, our teams improved greatly through the season. John Helgerud, Ben Popilsky, and John Manning were standouts on this year's team. Experience was one strength the netmen lacked due to so few returning lettermen. Although the teams had a disappointing season, next year, with more returning players, the team hopes to do better.

Athlete of the Year

As had been done in the past, Athlete of the Year was selected by an accumulation of points which were awarded for each sport participated in and each award for athletics received. It is a credit to Northview athletics that at the time this book went to press, late in the year, two young men were close enough in total points to have warranted coverage of both. These two athletes are Jon Tovar and Kevin Bell.

Jon Tovar lettered in "C", "J.V.", and "Varsity" football as well as "Frosh", "J.V.", and "Varsity" baseball. He was also a member of the Frosh basketball team. Jon has won such individual honors as 2nd team All League in baseball and in football. He also received Sertoma Back-of-the-Week honors for his outstanding performance in football.

Kevin Bell, the second honored athlete, also lettered in "C", "J.V.", and "Varsity" football, and "Frosh", "J.V." and "Varsity" baseball. He has won individual laurels such as the J.V. Baseball Batting Crown and as a varsity member, 2nd team All League. In football, his noteworthy performance won him such acclaim as Viking Player of the Year, All Valley Honorable Mention and Most Valuable Offense.
Congratulations to these two fine athletes.

Athlete of the Year

After careful deliberation, the girls' physical education department has chosen Sandy Wilson as Northview's outstanding girl athlete for 1973.

A well deserving recipient, Sandy has been a member of G.A.A. for 3 years and is now president of the organization. For her outstanding contributions to the club, she was awarded trophies for accumulating the highest total points for one year, and for selling the most football spirit ribbons.

Sandy's athletic contributions to the club have been just as noteworthy. Her first year in G.A.A., she was successful in making both the "A" basketball and softball teams as well as the "C" volleyball team. Playing consistantly well helped Sandy hold the two "A" team positions while steady improvement helped her up the ladder to the "A" volleyball team. For her individual efforts, Sandy was selected as last year's outstanding softball player and as this year's outstanding volleyball and basketball player.

Athletic ability alone does not make one worthy of this honor, sportsmanship, determination and effort are also taken into account. It is these three assets to Sandy's personality, plus her athletic prowess that makes her a worthy "Athlete of the Year."

G.A.A.

Northview's Girls' Athletic Association offered all girls a chance to express themselves through sports. These girls work to improve their skills in many areas of athletics. On playdays they compete with girls from other schools, hoping to bring back victories, make new friends, and display their sportsmanship. The girls of G.A.A. are aiming for victory, but win or lose, sportsmanship is their goal.

This year G.A.A. added more interest to their club by having a bike ride to Santa Anita Park, a swim party, a get-together picnic, a slumber party, plus many other activities.

Under the direction of Miss Robinson and Mrs. Green, G.A.A. had a very successful year.

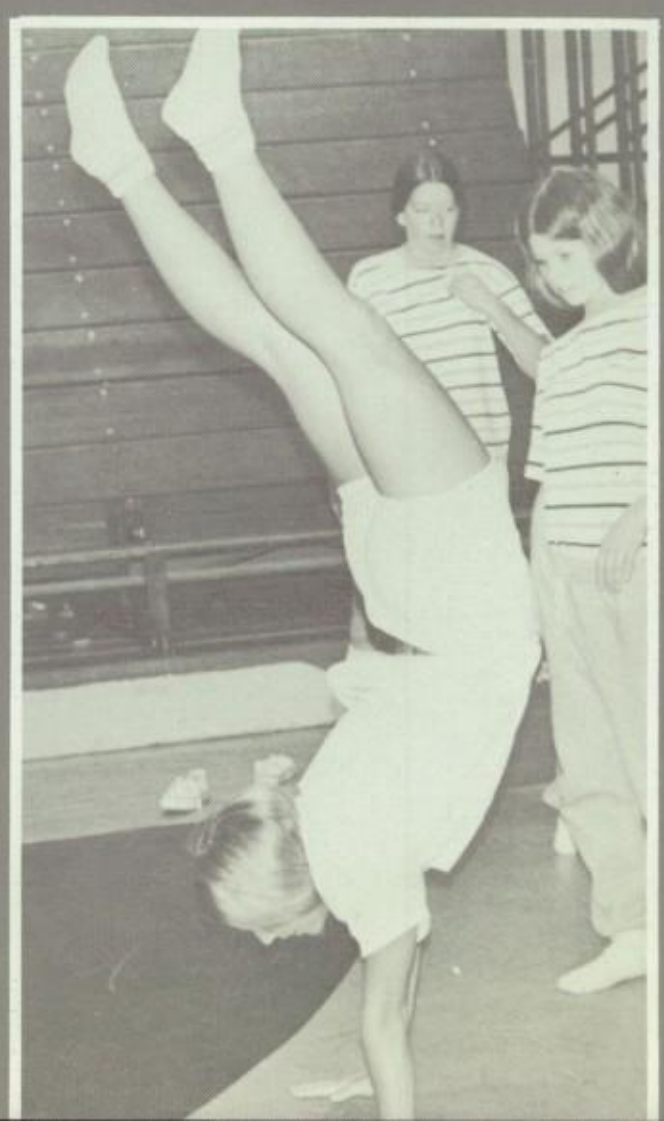
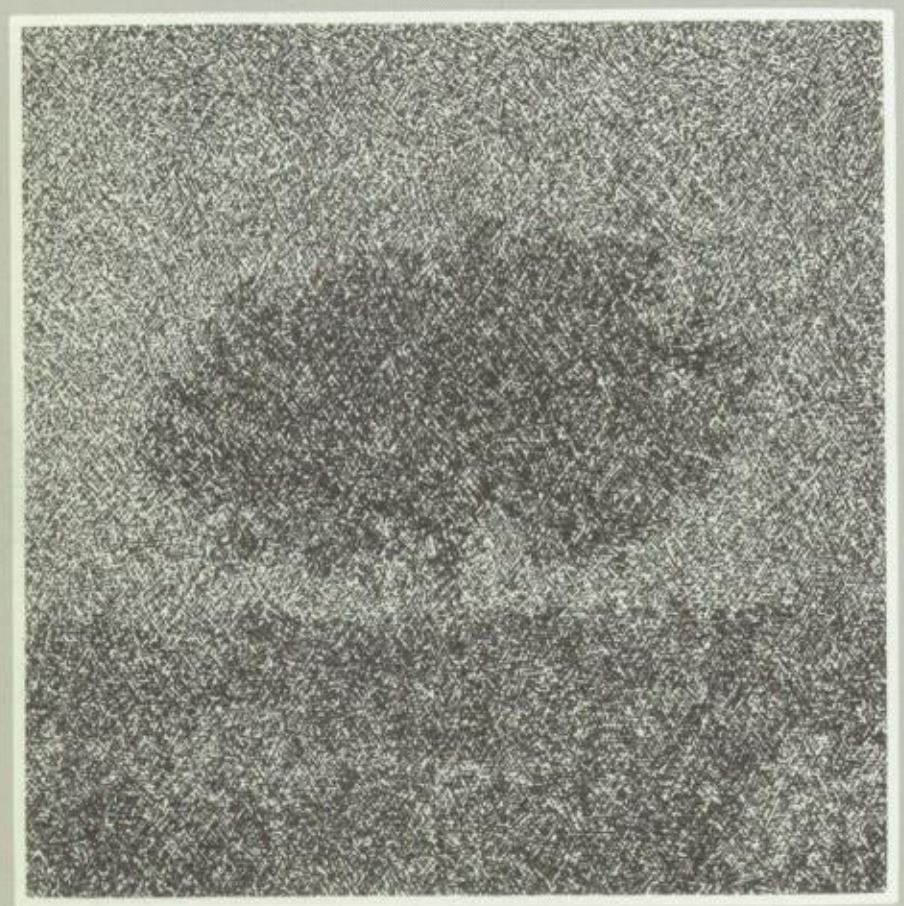
Draw, and let it fly!!





This past year has been something else—I hope it has been as special for all of you as it has been for me. This book is the result of a lot of hours of work, aggravation, and fun. To produce a yearbook as fantastic as this requires complete co-operation, and I want all of you to know how very much I appreciate all your time and energy. I hope you are as proud of this book as I am, and I owe many thanks to all the staff.

This year the book had a new addition devoted entirely to you the students, displaying art, poems, and any other literature you wished to contribute. I would like to thank JESSICA DOSS, as my assistant editor, for the excellent job she did on PEOPLES' GALLERY. Sue, you did an outstanding job as Copy Editor, and Debbie and Kris, I know everyone will commend the job you did on Highlights—your coverage of the activities was remarkable. Silvia, your faculty section was exceptionally good—you made the job seem easier than it was. Nora, I don't know what we would have done without you, and the outstanding job you did on Pep Unit. Valerie, seniors was a big job and completing it in about two weeks must be a new record. Thank you all.

The other members of the staff, for their first year, all worked very hard and I really appreciate how they helped to make this book a success. Jeff and Charlotte, you did a great job on Underclassmen, it really turned out beautifully. Organizations was also a success thanks to Lorraine, Kathy, and Sandy. Last, what would we have done without Joe and Paul for their photography. I would sincerely like to thank Miss Sweger for being so understanding and for all the time consuming hours she has put into the yearbook. Being advisor is a large assignment for one person and I believe her guidance is shown on every one of these pages.

I was very proud to have had the honor of serving you as Editor, and I thank each of you once again. We, the staff of the VIKING '73, have many memories and I know the students here at Northview appreciate the time you have devoted to preserving their memories in this book.
